Change of Status – In-training Probation

Purpose Use this procedure to update an employee's status during an in-training plan

appointment.

Trigger Perform this procedure when an employee has completed a level or the entire in-

training plan while also completing their probation period and there is no change to

the appointment date or basic infotypes.

Prerequisites

• An employee has successfully completed their probationary period during the in-training plan.

An employee has completed a level in their in-training plan.

• An employee has completed their entire in-training plan.

End User Roles In order to perform this transaction you must be assigned the following role:
